MERCER LEARNING ONLINE WAS ESTABLISHED WITH ONE GOAL IN MIND

Mercer Learning Online is a comprehensive learning platform that allows HR functions, line managers and leaders to form and implement a successful HR framework.

Designed to build both core and technical HR capabilities, the standardized online program offers e-learning tracks grouped into 5 HR disciplines, and is designed to help new and seasoned HR practitioners broaden or advance their skillset. Each of these disciplines offer a foundational level of training.

5 HR THEMES
19 E-MODULES

Developed by Mercer subject matter experts, the Mercer Learning Online platform offers a unique learning experience with the following features and benefits:

- 30-50 minutes pre-recorded presentation per module
- Modules can be completed in its entirety or in small segments
- Downloadable toolkits and sample documents for each module
- Knowledge audits at the end of each session to test understanding
- Currently available in English, Mandarin, Spanish and Portuguese
- Certificate of attendance available for download for every module completed
